The I Govt of E[illegible] virtually asks for a recession of the portion of the Govt of Sept last directing the Shamasastry place in the Oriental Library to be kept unfilled for a year. Govt have apparently reconsidered their attitude & the permission to the Govt to submit proposals practically amounts to a promise to reopen the question

12 The I Govt's present proposals mean an expenditure of 80 Rs per mo he gives fairly good reasons for starting a new man (an M-A) on 80 Rs in the 50 - 100 Rs grade
